All EDGE! Classes are 100% FREE! FREE! FREE!

Home Alone Cooking

Mondays: September 12, 19, and 26
4:30-6:00 pm, Meet at Cole Park Commons
12 Spaces

Chef Bob will prepare our junior chefs for independent living and college dorm life when they learn how to safely prepare their own nutritious meals and snacks. Students will learn how to use a microwave and other small appliances in this hands-on course. Each junior chef will have the opportunity to sample the tasty foods that they create. Transportation provided by parents.

Fashion Modeling

Mondays: September 12, 19, and 26
4:00 –4:45 p.m. at Taylor Youth Center
12 Spaces

Walk this way and strike a pose! If you have an interest in fashion and couture, come to this introductory class and learn techniques in applying make-up, wardrobe, and photo shoots. Discover the proper way to walk down the runway like a supermodel, and learn how to look the part. Prepare for the Teen Center's upcoming fashion show on October 15

Intro Guitar

Tuesdays: September 6, 13, 20, and 27th
4:00-4:45 pm, SKIES
6 Spaces

Unearth your inner Carlos Santana with a FREE introduction to guitar with Edge! Learn how to identify the parts of the guitar, tune strings, and learn the basic elements which distinguish between notes and chords. Strum along with us!

Canoeing

Tuesdays: September 6, 13, 20, and 27
4:00-6:00 pm, Meet at Taylor Youth Center for Transportation to Outdoor Recreation Area
12 Spaces

Join us for fun in the water at Lake Taa! Participants will be provided with all the gear and equipment needed to have a fantastic canoeing /kayaking experience. Youth will be taught the basics by certified instructors. We ask that all participants bring sun screen and wear water shoes. Insect repellent is highly encouraged. Bus leaves Taylor Youth Center at 4:00 pm.

Leather Crafting

Tuesdays: September 6, 13, 20, and 27
3:30-5:00 pm, Taylor Youth Center
10 Spaces

Long before man devised a written alphabet, he communicated through simple drawings done on skins of animals. Participants in this course will easily learn the early art of leather stamping and staining, without having to tan hides! Students will make items including bookmarks, wristbands and leather hair barrettes, and other small leather projects to use and enjoy.
