Tabet Tennis Academy

The philosophy of the Tabet Tennis Academy at ASPU is centered on positive reinforcement. It is our goal to not only make you feel good about your game, but to make you feel good about yourself.

Experiences learned at the clinic will help you grow and develop throughout your life. During the teaching sessions, you will work closely with experienced Austin Peay coaches who have taught others to discover their full potential, and can do the same for you.

All participants must be registered with CYSS
Parent Central Services
5668 Wickham Avenue
Ft. Campbell, KY 42223
prior to enrolling in a class.
