

SKIES Unlimited

SKIES *Unlimited* Beginners Golf is designed to be an introduction into the historic game of golf. Golf is a game that crosses gender, age, race, ability and size barriers. It is a game that can be enjoyed for a lifetime. It is a game of honor, integrity, and sportsmanship.

Your child will learn the fundamentals of the game to include grip, stance, ball position, swing, short game/long game, general course knowledge, etiquette, equipment and more.

All students must be registered annually with Ft. Campbell Child and Youth Services at Central Registration, 5668 Wickham Ave. Payments may be made at any CYS payment center.

Please visit SKIES *Unlimited* to find out what days and times are available for your child's private lessons.

Once the basics have been learned, your child will be referred to the Cole Park PGA professional, Larry Cruise, for further golf instruction.

There will be no classes held on Federal Holidays.

Please bring your golf clubs.
