

Tale of Two Brains

(Men's Brains Women's Brains)

Presented by the ACS Family Advocacy Program

Join us in participating in this hilarious marriage enrichment workshop that discusses how men and women are wired differently, communicate differently, and most importantly, how they think differently. Based off Mark Gungor's DVD series, *Laugh your way to a better Marriage* . During this watch and learn workshop you will explore:

- Four simple steps to change the flow of give and take in your relationship.
- How to get a man to do what you want him to do.
- The importance of sex in your marriage.
- About that secret place your husband loves to go- "The Nothing Box".
